28. Read the poem given below and write a critical appreciation of it :

Walls and Fences

Walls and Fences

All round

Creating boundaries

Both inside and out

Every word spoken

Just adds on

Building this wall

That cannot be undone

Pause and reflect

On the cost one bears

To put this wall up

That isn't even there.

Its about time

That we realise

These walls and fences

Are just malice

Not far behind

Lived on the plains

Where walls *and* fences

Were nowhere to be seen.

Oh what I would give

To go back to them days

Where soul, heart and body

Were all one and at peace...
